SOLD

This work is an original acrylic painting, signed by the artist. It is shipped wired and ready for hanging. No framing is necessary as the gallery-wrapped edges are staple-free and painted black offering a modern, contemporary look. Of course for a more traditional framed art look, the painting can accept a variety of frames.

This work is from the "Montage of Color" series of boldly colored original abstract acrylic paintings. These works offer a refreshing and unencumbered look at the world around us with images that combine dazzling colors with thoughtful and often surrealistic designs. The artist's wonderfully keen sense of color and clever compositions in these abstract works must be seen firsthand to be truly appreciated.

Shipping for this artwork is available to US and international destinations and comes with a 30-day money-back guarantee of the purchase price.
