Acrylic Painting on Canvas

**Leon Verdun**  
2005, Signed by the artist

price: \$265

This work is an original acrylic painting, signed by the artist. It is shipped wired and ready for display. No framing is necessary since the gallery-wrapped edges are staple-free and painted black offering a modern, contemporary look. However, for a traditional framed art look, the painting can accept a variety of frames.

This work is from the "Harmonies and Textures" series offering remarkably beautiful abstract art where the color harmonies are striking, bold and compelling. But the texture of these works add their own drama to the powerful imagery. Together, the harmonies and textures of these abstract acrylic paintings are a sight to behold.

Shipping for this artwork is available to US and international destinations and comes with a 30-day money-back guarantee of the purchase price.
