Quiescent

22" x 28"
Acrylic Painting on Canvas

Leon Verdun
2005, Signed by the artist

price: \$285

This fine abstract acrylic painting is an original work and comes ready to hang. Its edges are painted black and the painting can be proudly displayed without a frame. Many collectors prefer the simple black edges of these paintings rather than the look of framed art.

Leon's **Windows** series is a collection of abstract art composed of irregular panes of varying colors and textures. Rather than being presented as a portal to peer through, the window itself becomes the subject in these original acrylic paintings. Introspection is the goal here, although, not as in a mirror. It is indeed best presented by the elements of a window. The frame, the multiple panes, colorful interplays... all contribute to the message conveyed by the artist.

Shipping for this artwork is available to US and international destinations and comes with a 30-day money-back guarantee of the purchase price. For questions or comments about "Quiescent" or to commission a similar work, contact Leon Verdun at www.GalerieVerdun.com
