### Relic

12" x 16"  
Oil Painting on Canvas

**Curtis Verdun**  
2004, Signed by the artist

price: \$95

The **Relic** series is somewhat more objective than the artist's other non-representational artworks. These original oil paintings resemble mineral or rock formations and are usually more monochromatic with only subtle tones but complemented with dramatic textures. The earthy tones and ragged surface present a simple but rather compelling image.
